

WELL CHILD Policy

For the safety and wellness of all, children who show signs of sickness will not be allowed into the Riverside Kids Classrooms. We require that children be fever-free for 24 hours (without the use of fever-reducing medications) before entering Riverside Kids. This is for the health and protection of all children, families, and teachers.

We ask that you worship with us online if your child is experiencing any of the following symptoms:

- Fever
- Vomiting
- Sore Throat
- Diarrhea (even if associated with teaching or medication)
- Common cold (from onset through one week)
- Croup
- Junky or productive cough
- Any contagious or unexplained rash
- Pink eye or other eye infections
- Lice
- Cloudy or green runny noses

In addition to those mentioned above, we also ask that you stay home and worship with us online for the following circumstances:

- If you or a family member have experienced any COVID-19 symptoms in the past 48 hours.
- If you have been in contact with someone who has tested positive or you have personally tested positive for COVID-19 in the past 14 days.
