RCC Kids Church Theme Days '24-'25

The goal of these theme days is to explore interests of the kids of Riverside Community Church and find out more about God in the process. They may look and sound different than other Sundays. Make sure you bring your friends to have extra fun with the activities based upon the monthly themes. There will be lots of hands-on things and many different ways to learn about God and each other. Of course, "all plans are subject to the move of the Holy Spirit" and we will advertise any changes to this schedule. If you have any great ideas to include or questions, please feel free to reach out to Katherine Dorsey (410-236-8417 or mkatdorsey@gmail.com) See you then!!
